The Chairwoman of the AMA in Brussels: Full Commitment to the Transposition of the European Media Freedom Act

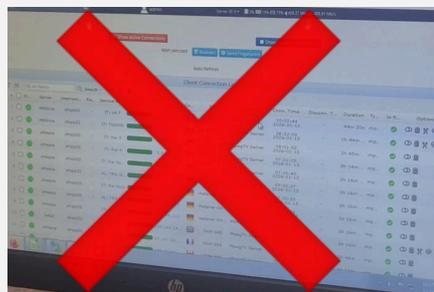

The transposition of the European Media Freedom Act (EMFA) into national legislation was the purpose of the visit of the Chairwoman of the Audiovisual Media Authority to Brussels. She took part in a roundtable discussion between candidate countries and representatives of the European Union, organized within the framework of the TAIEX instrument. During the meeting, Krasniqi stated that the AMA has full willingness and the appropriate professional capacities to transpose the EMFA into Albanian legislation, as well as to implement this Act.

Fight Against Piracy, Another Law Violator Reported in Tirana

Actions against pirate broadcasting carried out by the Audiovisual Media Authority continue, as another violation of the law has been identified in the city of Tirana. The relevant domains have been reported to AKEP for the purpose of taking further legal measures. The AMA emphasizes that it remains steadfast in the fight against audiovisual piracy and in supporting lawful operators in the market.

AMA Calls on Audiovisual Media: Strengthen Reporting Standards for Events Involving Minors and Individuals in Vulnerable Social Situations

The Audiovisual Media Authority calls on all audiovisual media outlets to strengthen ethical and professional standards in reporting highly sensitive events involving children, women, and individuals in vulnerable social situations. Reporting on such cases requires particular editorial attention and care, as the consequences of media exposure may be long-term and irreversible, especially for children.
