AMA-RTSH: Institutional cooperation for a modern public media in the service of citizens

The Audiovisual Media Authority (AMA) participated in the inclusive roundtable organized by Albanian Radio and Television (RTSH), titled "RTSH,...

EMFA and DSA transposition: With CoE support, AMA organized a working session with expert Francesco Sciacchitano from AGCOM

The transposition of the two new European media acts (EMFA) and digital services act (DSA) was the core focus of a two-day working session organized by the Audiovisual Media Authority with CoE experts, including Mr. Francesco Sciacchitano (from the Italian authority AGCOM). This activity marks an important step toward aligning Albania with European Union standards in the media and digital services field, further strengthening AMA's role as a key institution in safeguarding the public interest and ensuring a free, safe and inclusive media space. The fight against online piracy: AMA imposes a 5 million ALL fine, files a criminal complaint and tracks the violator across Germany and Romania

A new case of online piracy has been reported by AMA's Chairwoman, Ms. Armela Krasniqi. Referring to the latest illegal entity identified, fined and reported by AMA's inspection teams, Krasniqi outlined the full history of tracking and blocking a case initially discovered in Kukës as an illegal IPTV broadcaster, which later transferred to other servers across Europe. Meanwhile, two pirate operators in Kukës and another in Golem have also been fined. [Read More](#)

AMA launches Public Consultation on amendments to the Authorization Regulation: New protective measures for broadcasting rights

The Audiovisual Media Authority has opened a public consultation on proposed changes to the regulation "On criteria and procedures for granting authorizations". To this end, AMA's Chairwoman, Ms. Armela Krasniqi, has initiated a series of meetings with audiovisual operators in Kukës, Dibër, Elbasan, Durrës, Tirana, Shkodër, Lezhë, Berat and Pogradec, as well as with legal representatives of Digicom, Digitalb, Vodafone, ONE Albania and Tring. Working conditions of journalists: The Chairwoman of AMA and the Head of the Labor Inspectorate hold a discussion with stakeholders

The Audiovisual Media Authority, in cooperation with the State Labour and Social Services Inspectorate, organized a roundtable discussion on the current working conditions and the creation of a safe, professional, fair and dignified environment for all audiovisual media workers. This roundtable marked the first activity under the joint work plan approved by both institutions, following the Memorandum of Understanding signing between AMA and the Labour Inspectorate.
