## Krasniqi welcomes the co-rapporteurs of the Parliamentary Assembly of the Council of Europe: Reforms in the audiovisual media sector in focus

AMA's Chairwoman, Ms. Krasniqi, held a meeting with the Parliamentary Assembly of the Council of Europe delegation. During the meeting, discussions focused on AMA's activity as an independent regulatory authority in audio and audiovisual media field, as well as the developments and challenges of the media landscape in the country. Particular attention was given to the process of aligning Albanian legislation with key European acts, including the European Media Freedom Act (EMFA) and the Digital Services Act (DSA). ## The first national study by the Council of Complaints and INSTAT on “Media Credibility and the Role of Journalism in Albania” found that 72.5% of respondents assessed it positively

For the first time, the Council of Complaints at the Audiovisual Media Authority, in cooperation with INSTAT, has conducted a nationwide study that sheds light on media credibility and public perceptions of the role of journalism in society. One of the key findings of this study is that 72.5% of respondents consider the journalism profession to be valued in society. This perception positions journalism as a profession with a fundamental role in democratic life, contributing to public information, enhancing transparency and safeguarding the public interest.

## AMA and CRCA strengthen partnership for the safety of children and adolescents in the digital environment

AMA’s Chairwoman, Ms. Armela Krasniqi, welcomed the head of CRCA (the Children’s Rights Centre in Albania) as part of efforts to strengthen cooperation for the protection of children and adolescents in the digital environment. During the meeting, Ms. Krasniqi emphasized that children’s safety in the online space remains one of AMA’s key priorities, in pursuit of building a safer, more responsible and more protective media environment for the most vulnerable age groups.
