Krasniqi holds consultations with audiovisual media service providers on amendments to the advertising regulation and public funds transparency

The Chairwoman of the Audiovisual Media Authority, Ms. Armela Krasniqi, held a consultative meeting today with audio and audiovisual media service providers' representatives. The discussion focused on the legal obligation of audiovisual media service providers to ensure transparency regarding advertising financed through public funds. Alongside the proposed amendments to the regulation, a self-declaration form has also been prepared, through which audiovisual media service providers will declare any advertising revenues originating from the state budget, as well as revenues originating from third countries that are not EU Member States. AMA's Chairwoman at the 13th annual BRAF meeting: Technology can support journalism, but it cannot replace it

The 13th Annual Meeting of the Black Sea Broadcasting Regulatory Authorities Forum (BRAF) was held in Sofia, Bulgaria. The main topic of the meeting was "Artificial Intelligence in Media and Regulation." In her remarks, Ms. Krasniqi emphasized that technology can support journalism, but it cannot replace quality journalism, editorial responsibility, or human judgment.

AMA has shut down an unauthorized "card-sharing" server that enabled illegal access to encrypted channels

The Audiovisual Media Authority identified and technically documented an unauthorized "card-sharing" server that enabled illegal access. The service infrastructure was hosted by Hetzner Online GmbH, a Germany-based hosting provider. AMA sent a formal notice to the hosting company, together with the relevant supporting documentation, following which the unauthorized service was shut down.
