The 12th BRAF Meeting in Albania: Heads of regulators and high-level BSEC representatives gather in Vlora

The Audiovisual Media Authority hosted in Vlora the 12th Annual Meeting of the Black Sea Broadcasting Regulatory Forum (BRAF). The main topic of the two-day meeting was: "Hate Speech & Freedom of Information on Audiovisual Media & Online Platforms". In her opening remarks, the Chair of the Audiovisual Media Authority, Ms. Armela Krasniqi, emphasized the importance of addressing hate speech: "It's a significant challenge faced not only by the media market, but also by regulatory bodies", she stated.

Consultative meeting on the draft law "On the release of Digital Dividend II (DD2) Frequencies": AMA's Chair meets with high-level executives of audiovisual media service providers

At the Audiovisual Media Authority premises, a meeting was held with high level executives of audiovisual media service providers to consult on the draft law "On the release of Digital Dividend II (DD2) Frequencies". AMA's Chair, Ms. Armela Krasniqi, invited the operators affected by the release of the 700 MHz band, with the aim to harmonize spectrum use in line with European Union practices and the International Telecommunication Union (ITU) recommendations. Together with audiovisual media service providers' executives, the conditions of this transition were discussed, as set out in the draft law under public consultation. [Read More](#)

Content monitoring, in August social news dominated coverage

In August, social news dominated audiovisual media coverage. According to data compiled by the Audiovisual Media Authority monitoring and analysis teams, social issues accounted for 22.15% of the news, followed by international news at 16.28% and crime-related news at 10.34%.
