## Strengthening our capacities, a two-day training for AMA’s staff with the AGCOM expert

The regulation of video sharing platforms and public protection measures, especially for children, were the main topics of AMA’s staff training by a senior official from the Italian regulator AGCOM, Mr. Francesco Di Giorgi. AMA’s Chair, Ms. Armela Krasniqi, stated that this training

is necessary, as the regulation of video sharing platforms is a responsibility entrusted to the Authority by law. [Read More](#)

## AMA calls on audiovisual media service providers: Stop the advertisements and commercial communications abuse for medicines and medical treatments

Audiovisual media service providers must stop the advertisements and commercial communications abuse for medicines and medical treatments. This is the ultimatum issued by AMA to audiovisual entities that attempt to turn the health sector into a business. Following inspections, AMA has asked the audiovisual media service providers to immediately stop these unlawful practices. [Read More](#)

## “Disinformation in times of war and conflict”, AMA supports the “Faktoje” Center

AMA is supporting the “Faktoje” Center in organizing a training program for journalists on “Disinformation in times of war and conflict.” AMA’s Chair, Armela Krasniqi, emphasized the importance of public awareness and professionalism in reporting, especially in conflict situations.
