International Experts from the Council of Europe at AMA for Election Monitoring

International experts from the Council of Europe (CoE) are "landing" at AMA for the 2025 elections. According to the provisions of the Electoral Code, the monitoring of the election campaign in audiovisual media is conducted by AMA, while the institution reflects its findings in detailed reports, which are then presented to the Central Election Commission (KQZ) for decision-making.

Legal Violations by Providers: 27 Fines in the First 7 Months of 2024

AMA has fined 27 audiovisual media service providers (OSHMA) for various legal violations identified during the first seven months of 2024. The decision was made following content monitoring, inspections by control groups, and the review of complaints submitted to the Complaints Council. [Read more](#)

403 Videos Removed from TikTok for Piracy, Here's How Many Profiles Were Blocked

A total of 403 videos have been removed from the platform, out of 436 reported for piracy. Meanwhile, 48 profiles were immediately shut down by the platform itself for the same reason. Additionally, within the first two weeks, AMA received 232 complaints from citizens, and after expert analysis, 64 videos were removed from TikTok, with 13 still under review. [Read more](#)

Gender Assessment of the Media Market in 2023: More Men

Men dominate the Albanian media market. Specifically, in television, the ratio of women to men is 40% to 60%; in radio, it's 41% to 59%, while in cable services, the gap is even larger, with 31% women to 69% men. These figures were published in AMA's Periodic Bulletin.
